WHY COBBLES?

At Cobbles we pride ourselves on offering a laid back, flexible and personal service when it comes to your wedding day.

From the first point of contact you will be looked after by our dedicated in house weddings and events coordinators who will guide you through the process ensuring every dream and personal touch is included in your special day.

The venue itself speaks for itself. A beautiful 16th Century stone barn steeped in history, with timber floors, high ceilings, original oak beams and trusses exposed, adorned with drapes and fairy lights, the lime wash walls offering the perfect backdrop, it oozes rustic and bohemian charm and character.

Nestled amongst fields, meadows, woodland and the nearby heritage coastline, we are privileged to be in a perfect spot for those timeless photographs and memories.
